

Corporate education

A company's competitiveness comes from its employees' capabilities. Korean language with unlimited potential is essential for your employees. Would you like to provide Korean language training to your employees?

- You can find the Korean teacher you want in EL KOREAN.
- We offer customized Korean language courses.
- A report on changes in Korean language levels before and after class is provided.
- 1: 1 online consultation with students and teachers is provided free of charge.
- Take advantage of the referral bonus EL KOREAN provides to companies.

You can find the Korean teacher you want in EL KOREAN.

- EL KOREAN has a variety of teachers.
- Find teachers by student skill level, subjects you want to learn, and language of instruction.
- Trial classes with teachers are available.

We provide Korean language courses that companies want.

- In addition to the eight basic courses, you can open your own courses.
- Dozens of students can all learn together.
- Work with EL KOREAN to develop mid- and long-term training plans.

The report provides information on changes in Korean language skills before and after class.

- After class, students will be provided with a report in the form they want.
- Student attendance reports will be provided if the company wishes.
- If your company wants to, you can do post-class testing.

1: 1 online consultation with students and teachers is provided free of charge.

- EL KOREAN offers 1: 1 online counseling with teachers outside of class.
- This service is free to use.
- We are working to respond to your request for consultation within 24 hours.

Referrer bonuses are provided to companies.

- The company becomes a referral and can use 5% of the tuition fee.
- You can reward students with the bonuses earned by the company.

1. Please contact us by phone or email.

TEL : (+82) 070-4141-1446
 Email : support@elkorean.kr

2. Consultation and Estimate

The agent will consult with the person in charge of the company on the desired date. Both visit and phone consultations are available.

3. Korean level diagnosis (free)

We will use our exclusive test questions to diagnose the level of Korean language skills of your employees. Determine the class curriculum for the purpose of the training.

4. Contract

After confirming the customized class, determine the class time and exchange contract if necessary.

5. Training Preparation

Prepare for class start, including user registration and online communication.

6. Start training

The training is conducted in a manner consistent with the company.

7. Submit Report

Upon request, we will create a report, a personal score sheet and more.

Corporate education tuition

Type	Person(s)	1-session(trial)	3-session	5-session	10-session	20-session	30-session
Individual	1	0%	0%	10%	15%	20%	30%
	2	0%	10%	19%	24%	28%	37%
	3	0%	20%	28%	32%	36%	44%
Corporate	4~5	0%	30%	37%	41%	44%	51%
	6~10	0%	40%	46%	49%	52%	58%
	11~20	0%	50%	55%	58%	60%	65%
	21~30	0%	60%	64%	66%	68%	72%

※ The duration of the class is the same number of weeks as the number of sessions. (E.g. 10 weeks equal to the number of sessions for 10 lessons)
